

Environment & Sustainability Policy

Policy Statement

SaskEnergy/TransGas and affiliated companies (Our Company) is committed to the protection of the environment. Our commitment to environmental leadership is to reduce the impact of our daily operations on the environment and recognize the role we can play in the stewardship of a non-renewable resource. The [Environmental Management System](#) is a key component to ensure that Our Company continues to provide safe, reliable and environment-focused service to our customers.

Priority Areas of Focus:

Compliance	Risk Management	Sustainability and Stewardship	Innovation and Leadership
<ul style="list-style-type: none"> ▶ Legislation ▶ Codes ▶ Guidelines/Procedures ▶ Best Management Practices ▶ Alignment 	<ul style="list-style-type: none"> ▶ Identification and Prioritization ▶ Prevention and Mitigation ▶ Preparedness ▶ Response and Recovery ▶ Education/Training 	<ul style="list-style-type: none"> ▶ Emissions Management ▶ Energy Efficiency ▶ Resource Conservation ▶ Landscape Protection/Stewardship ▶ Hazardous Materials Management 	<ul style="list-style-type: none"> ▶ Industry Partnerships ▶ Customer Efficiency ▶ Research and Development ▶ Stakeholder Engagement ▶ Government Collaboration

Evaluation and Continuous Quality Improvement

Our Company shall audit its operations and seek feedback from stakeholders to assess its performance. Our Company shall regard sound environmental management as an integral part of its commitment to the continual improvement of our corporate services and policies, so that service may be provided in an environmentally responsible manner.

This policy applies to our employees and contractors that perform work on behalf of Our Company. Our Company will report environmental performance and policy compliance on a regular basis to the SaskEnergy Board of Directors, and other stakeholders as appropriate.
