

SaskEnergy Commercial Boiler Program - Eligible Boiler List

Disclaimer: The Eligible Boiler List, based on specifications published by Natural Resources Canada and AHRI, is only to be used as a guide for builders, developers, building owners, mechanical consultants and SaskEnergy Commercial Network Members. The list is not exhaustive and may be amended or modified at any time without notice. No representations or warranties are made by either Natural Resources Canada or SaskEnergy that the list contains all eligible boilers. SaskEnergy reserves the right, in its sole discretion, to refuse any application made under the Commercial Boiler Program.

SaskEnergy makes no representations, warranties or guarantees regarding any of the boilers or their purported efficiency ratings and does not endorse the use of any particular boiler.

Effective date: August 31, 2018

Condensing Boilers - Up to 299,999 BTU
