CONSTRUCTION OF BUILDINGS OR DECKS OVER GAS LINES IS PROHIBITED

The site is to be grade level and clear prior to service installation.

This request is made on the express understanding and agreement that said service pipe and all connections and equipment thereof shall be and remain the property of SaskEnergy Incorporated ('SaskEnergy') and that SaskEnergy at all times has the right to enter upon said premises to examine, repair or alter or remove the same. Under SaskEnergy's Terms and Conditions of Service Schedule, you are responsible for a natural gas line encroachment - for example, building an enclosed structure, deck or permanent shed over a natural gas line. You will be responsible for rectifying such encroachments at your own cost.
